MISSIONARIES TO HONDURAS

## Where ARE We?

We were on our way back from three weeks of services in Tennessee and Kentucky when we stopped to fill up the van. Claire inquired, "Momma, where are we?" "We're at a gas station," Christine replied absentmindedly. "No, I mean where are we *on this planet*?" Good question. It's easy to become nearsighted, wrapped up in the details of our ministry. Many times we lose sight of the big picture. What are our goals for the next year? The next five years? What steps can we take to reach them? The following are just a few of the goals Team Honduras has set for 2011. Please pray that we will have a godly vision for reaching El Progreso with the gospel and discipling as our Lord commanded.

- Launch of Bible Institute • Launch of Sunday School program • Increase Church-wide Visitation attendance by 10
- 1st Annual Missions Conference in April • Average of 20 at Teen Visitation • Add 2 new bus drivers • Begin church choir

## The Value of ONE

Robbie looked at the sweaty wad of bills in his outstretched palm. *How can he afford this? Should I accept it?* Melsin, a new Christian and construction worker at the church, had just given a quarter of his weekly salary to buy two tickets for his unsaved friends for the church's annual Men's Evangelistic Dinner. Robbie understood the enormity of his sacrifice, but he accepted the bills, knowing the Lord would greatly reward this young man for his sacrifice. What is a soul worth to you? Are you sacrificially giving to see the gospel reach those who have never heard? We have the truth. But it's taking us much too long to get it to those who need it so desperately. Let's pray about how the Lord can use our personal sacrifice in 2011 for world evangelism.
