Prayer Letter

February 2010

Visual Aids

There have been times when I felt like it would be helpful to take an easel and flannel-graph board on door-to-door visitation as a helpful visual aid -- to explain the concepts of sin, sin's punishment, and salvation, etc. The other day I was evangelizing with Hernan. Hernan began attending Iglesia Bautista El Faro as a result of an invitation from a co-worker. He attended faithfully for several months, but when it came to the point of decision, he always decided to stay in his worldly life. One of the sins he particularly struggled with was his addiction to alcohol. His wife tells of the miserable existence they led as the beer and whiskey exerted their dominance over Hernan. But the Word of God was doing a work in Hernan's life, as Romans 10:17 says, "so then faith cometh by hearing, and hearing by the Word of God." One day during the invitation time after a Sunday morning service, Hernan changed his mind about his sinful life and received Jesus Christ as his personal Savior. Since that time Hernan has been a living testimony to the power of God in a person's life. As we were going from house to house together I couldn't help but refer the people to this walking "visual aid" showing what Christ can do in a person's life who receives Him.

Replaced

We want to **thank all** of you who prayed and gave toward a replacement vehicle for our family. As most of you probably know, our vehicle was stolen in January of 2009 from in front of our rented church facility in broad daylight while we were out on door-to-door evangelism. The truck was reported stolen, but was never recovered by the authorities. Thankfully, we had an insurance policy that covered theft. The policy covered 80% of the insured value. After a long process with the insurance company, we finally received the check to cover the vehicle in August. God directed us to a suitable used truck in November. We bought another red Nissan Frontier, two years newer with a third of the mileage, so we ended up on the better end of the deal than I am sure the car thief has. The day after we bought it, it was parked back at the original scene of the crime while we went out on visitation.

MINISTRY UPDATE

In the month of January we had an average Sun. am attendance of **198** and an average Wed. pm attendance of **197**. We had a total of **52 first time guests** during those services. There were **7 who received Jesus** as personal Savior during the month -- 5 in the church services and 2 on soul-winning visitation. **Please pray for their spiritual growth.**

The roof of the church building has been completed and we are now in the process of pouring the floor and finalizing the electric. **Please pray that God will continue to provide the funds for this project.**

Baptism of new convert

Installation of church roof
