## Blown Away at 1st Missions Conference

“We do not want to be the end of the line in the missionary chain”, I often think. “The mission field should produce the next missionary.” Since our first year in Honduras, we have begun supporting missionaries out of our first church plant, Iglesia Bautista El Faro. We now support six different missionaries. Our new building has allowed us the space this year to have our first world missions conference. The theme was “Lift up your eyes.” Our prayer requests going into this first missionary conference were: 1) to have laborers called by God out of our church to prepare for full-time ministry; 2) to introduce faith promise to our congregation; and 3) to have a greater burden for the mission field of the world.

Last year we gave \$250 a month from the church budget to missions. This year we were **blown away**, as our faith promise commitments double that amount, as the people pledged to give more than \$500 a month to missions. We were also **blown away** to see 8 men publicly testify that God was calling them into full time ministry. Pray for these as they seek to prepare in the local church for that future ministry.

**Once again we hosted the Medical Missions Outreach team as we try to reach our community for Jesus Christ.**

**Through the efforts of the medical personnel and volunteers of Medical Missions Outreach and our local church, we were able to host a medical clinic in a local public school for 4 days, offering free medical attention and free medicines. During the four days of the clinic we were able to attend to approximately 2,300 people. Each person heard a gospel presentation, with 102 accepting the free gift of eternal life through Jesus Christ. Their surgical team also performed 23 surgeries at the local hospital, with 4 trusting in Christ.**
